

VOLUNTEERS

RESOURCE CENTRE

Looking for a meaningful way of giving? Volunteers offer supportive, knowledgeable, and compassionate listening to people needing someone to talk to. Volunteers also help visitors access current information from a variety of sources approved by the Medical Advisory Board.

SPEAKER'S BUREAU

A way for volunteers to share their experience and knowledge of prostate cancer with employee and community groups.

ADMINISTRATION

Volunteers can assist by directing calls and with general administrative duties.

DATA RESEARCH

As a volunteer, search literature and the internet for relevant information to keep our Resource Centre current.

SPECIAL EVENTS

Volunteers are instrumental in planning and implementing fundraising events, education sessions, and golf tournaments.

TALENT OR SKILL

Do you have a special skill or talent you'd like to use to enhance the success of the Prostate Cancer Institute?
